Character Developent Worksheet

Further develop your characters and keep all the information in a single location.

Character Development

WORKSHEET

Name

Age

Birthday

Hair color

Eye color

Height

Personality Traits

Use this section to detail how your character behaves in a variety of situations, including their "base" personality & what they show strangers they've never met before. Be thorough!

Strengths

Weaknesses

Nervous/Funny Ticks or Habits

Backstory & History

Use this area to write your character's personal history, including what their childhood was like, their relationships with their parents, and any infomation that is relevant to who they are as a developed person now.

Motives

What makes your character do what they're doing? This can tie into their backstory, what they want out of life, and even their insecurities as a person.

Character's voice

What does their voice sound like both speaking and internally? Is it short, and guipped or long and elegant? Are they overly positive or do they put a negative spin on situation?
